B:

Welcome to

B:illionico Academy

where vision, future planning and education reign supreme amidst global uncertainty.

Since the Coronavirus pandemic, the global Online Education Market has exploded in value, with a market value of around USD 217 billion in 2022 and a predicted growth of \$10 trillion by 2030.

This sudden rise, coinciding with a surge in the global e-commerce market to a value of \$16.6 trillion in 2022, has created a real world need for Billionico Academy to educate students from across the globe on simple, proven strategies for success in today's markets.

Meet the Founder

By nature a self motivated, creative thinker offering excellent interpersonal communication, relationship management, customer service and presentation skills, Daniel has the ability to organize and prioritize the tasks at hand to get the job done.

Daniel Baron von Lison is an innovative and passionate entrepreneur with more than 25 years in Real Estate and Insurance Development. He is patient and calm under pressure with 3 decades of proven leadership skills.

Ambitious and result-oriented with a passion for business, he embarked 2010 on a Global Networker career that brought together an international community of business owners and influencers called Elite Club World and created the luxurious and exclusive Elite Club magazine

Embracing serial businesses and the skills of networking, bargaining, and negotiation, Daniel speaks a number of languages and splits his time between Germany, Côte d'Azur and Dubai where he is a frequent guest at the fashion, charity and capital raise events.

Together with his wife he is also a host of an annual Elite Club World Charity Gala dinner in Monaco which supports numerous charity projects worldwide with raised funds during their Gala Evening.

Known for his refined taste, Daniel Baron von Lison has always been a luxury vehicle enthusiast and Formula 1 fan which is his hobby since years.

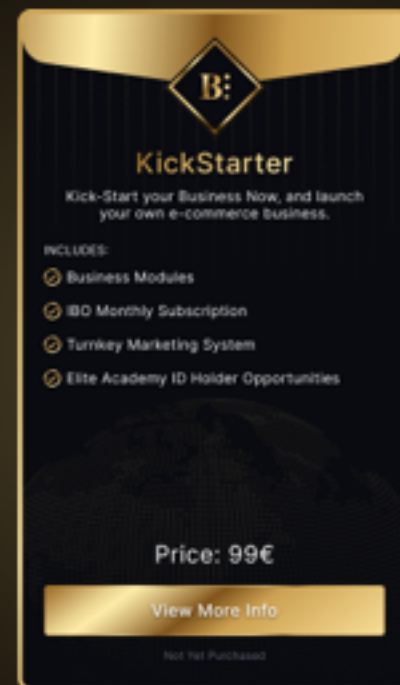

The greatest inspiration in his life has always been his family.

Daniel is married to Marina von Lison, and they have one son.

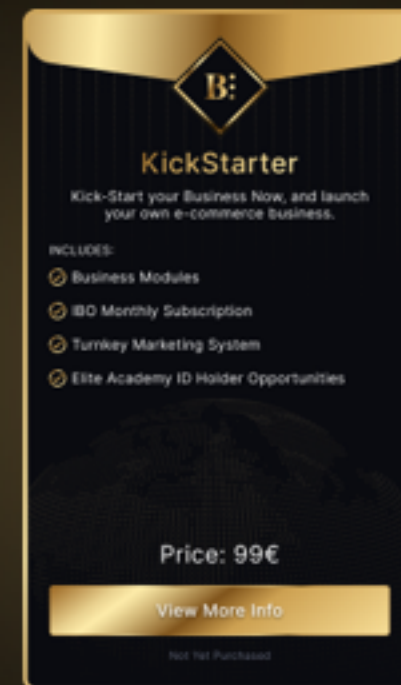

A stylized, handwritten signature in black ink that reads "Daniel Baron von Lison". The signature is fluid and elegant, with the last name being particularly prominent.

The Products
